

Round Rock Police Calls for Service at Sonoma Subdivision, November 2009 - April 2010

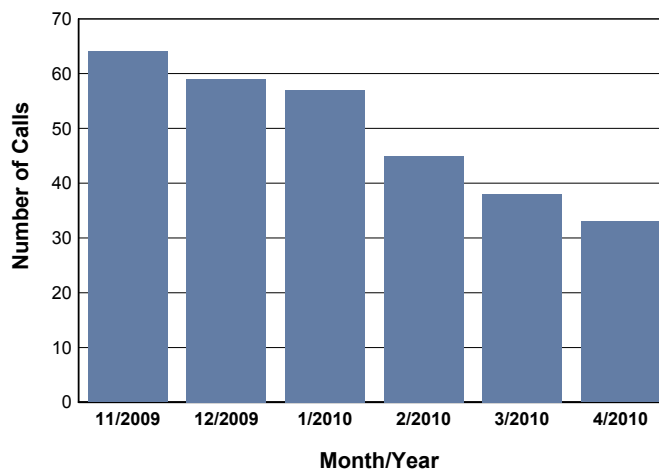

Notes:

1. The source for these data is RRPD's Computer Aided Dispatch database, which tracks calls as they come into the police department. As such, these data are limited in that actual call natures or dispositions may not be accurately captured.
2. Traffic stops and animal-related calls have been screened out of this analysis.
3. The 700 through 1300 blocks of Rusk have been included though not all of these blocks are listed by the City Planning and Community Development Department as being part of the subdivision.
4. An additional half block of Via Sonoma Trail south of the subdivision is included in the analysis due to the nature of the data structure.

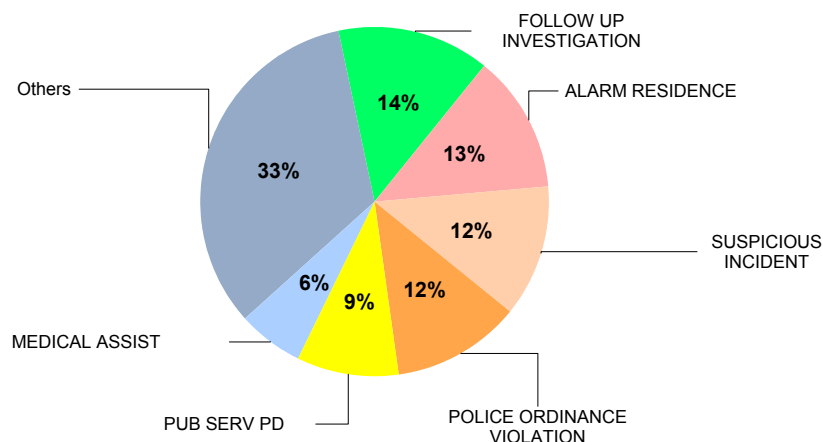

Questions about this report should be directed to the RRPD Logistics and Research Unit, 218-6677 or bcraytor@round-rock.tx.us.
